

DIRECTOR OF CENTRAL INTELLIGENCE
Security Committee

SECOM-D-231

3 June 1980

MEMORANDUM FOR: Chief Security, Intelligence Community Staff
FROM:
Executive Secretary
SUBJECT: APEX Badge

1. Part of the APEX concept is facilitation of certification of access approvals among and between U.S. Departments and Agencies which participate in the APEX Special Access Program.

2. One approach is the use of badges which reflect in some manner access approvals held. Various approaches have been considered. As part of the staff effort, the cost of the badge must be considered.

3. Would you be able to provide a cost of material and time required to produce a badge of the design sketched on the attached based upon your experience producing IC badges?
